Emotional Intelligence is a vital skill for children, often overlooked. Not only is it overlooked, but there is seldom good workbooks available aimed directly at children. This activity book is a treasure trove of wonderful exercises that get kids thinking about their own emotions, create self-esteem, empower good behaviours and habits, and develop consideration for others. Don't neglect to teach your kids a solid emotional intelligence to help them become strong to weather the storm coming up in teenage years.

This section of the Youth Deployment Activity Guide is designed to give you additional age appropriate resources that are helpful in teaching your child about emotions. The emotional and social skills that are presented were written in order to help you grow your child. The sections include Intrapersonal Skills, Interpersonal Skills, Adaptability, Stress Management, and General Mood. Each section is further divided into sub skills that address such things as Problem Solving, Happiness, Flexibility, and other critical emotional and social competencies. We encourage you to use these activities throughout the deployment process and beyond.
