**The Opt-Out Family** Erin Loechner, 2024-06-11 Discover a new and hopeful path forward as you consider your family's approach to social media screen time and technology We've all heard the mind boggling statistics about technology and social media use The numbers don't lie our obsession with smartphones and social media is slowly eroding the very essence of our homes and families We see it We feel it We know it So what do we do about it Spoiler alert Forget parental control apps time limits or reward charts This revolutionary path takes us into the heart of the beast itself the social media algorithm Former social media influencer and trailblazer Erin

Loechner has seen the perks and pitfalls of social media usage and she knows how to hack the strategies of tech wizards and platform experts so you can borrow their billion dollar playbook to engage your family in meaningful ways away from screens. The Opt Out Family is packed with eye opening research and startling insights as well as practical encouragement and creative ideas to transform your family's relationship with today's ever evolving technology. As a result you will experience more quality time with your children that doesn't revolve around screens. Create healthy habits as a family that will set your children up for success in the future. Discover what your kids actually need from you and learn how to delight and engage them better than a device can. And ultimately establish true and lasting influence within your own four walls and far beyond. The Opt Out Family unlocks a world where genuine connections flourish and technology takes a backseat. It's time to reclaim your home and build a tech free family culture that's stronger than your Wi-Fi signal.

*The Anxious Generation* Jonathan Haidt, 2024-03-26 THE INSTANT 1 NEW YORK TIMES BESTSELLER A Wall Street Journal Top 10 Book of 2024 A New York Times and Washington Post Notable Book One of Barack Obama's Favorite Books of 2024 A TIME 100 Must Read Book of 2024 Named a Best Book of 2024 by the Economist the New York Post and Town Country The Goodreads Choice Award Nonfiction Book of the Year Finalist for the PEN Literary Awards A must read for all parents the generation defining investigation into the collapse of youth mental health in the era of smartphones social media and big tech and a plan for a healthier freer childhood. With tenacity and candor Haidt lays out the consequences that have come with allowing kids to drift further into the virtual world. While also offering suggestions and solutions that could help protect a new generation of kids. Shannon Carlin TIME 100 Must Read Books of 2024 After more than a decade of stability or improvement the mental health of adolescents plunged in the early 2010s. Rates of depression anxiety self harm and suicide rose sharply more than doubling on many measures. Why In *The Anxious Generation* social psychologist Jonathan Haidt pronounced height lays out the facts about the epidemic of teen mental illness that hit many countries at the same time. He then investigates the nature of childhood including why children need play and independent exploration to mature into competent thriving adults. Haidt shows how the play based childhood began to decline in the 1980s and how it was finally wiped out by the arrival of the phone based childhood in the early 2010s. He presents more than a dozen mechanisms by which this great rewiring of childhood has interfered with children's social and neurological development covering everything from sleep deprivation to attention fragmentation addiction loneliness social contagion social comparison and perfectionism. He explains why social media damages girls more than boys and why boys have been withdrawing from the real world into the virtual world with disastrous consequences for themselves their families and their societies. Most important Haidt issues a clear call to action. He diagnoses the collective action problems that trap us and then proposes four simple rules that might set us free. He describes steps that parents teachers schools tech companies and governments can take to end the epidemic of mental illness and restore a more humane childhood. Haidt has spent his career speaking truth backed by data in the most difficult

landscapes communities polarized by politics and religion campuses battling culture wars and now the public health emergency faced by Gen Z We cannot afford to ignore his findings about protecting our children and ourselves from the psychological damage of a phone based life
