How To Raise A Future Leader Carroll Geitgey, 2021-05-24 You want your children to grow up to be leaders. This doesn't mean that you necessarily wish for them to be CEOs or heads of state or be in charge of large groups of people. But that's not this book's definition of a leader. A leader is someone who obeys the calling God has for their lives. A person who isn't swayed by popular opinion or the whims of the world. Leaders are not made by their title or position but by their actions and their heart. A leader leads and influences others by the way they live, life and love others. As a parent, you have the great honor of being able to help raise a future leader. After reading this wonderful book, you will learn:

- How does parental love affect parental leadership skills?
- What are the makings of a child?
- Must have the leader.
- Little tricks.
- Leader education.
- Personal qualities of a leader.
- Leadership Factors.
- What you need to teach the future leader.
- Key leadership qualities.
- Leadership Secrets.
