Maxwell,2007-04-29 What does it mean to be a good leader Do you believe that leadership is a biblical idea Founded by John C Maxwell in 1996 EQUIPTM is dedicated to equipping Christians with the leadership skills needed for advancing the Great Commission in their communities workplaces and churches This curriculum featuring Maxwell s core leadership teachings has been translated into 35 languages and taught in over 100 countries and

has already effectively trained over one million leaders worldwide According to Genesis 1:26 God made us to lead Join leadership expert John C Maxwell and EQUIPTM in an exploration of biblical leadership In Contagious Leadership Workbook you will learn how to grow as a leader cultivate your people skills and deepen your relationships learn to develop and communicate vision and purpose discover how to set priorities and strengthen your time management skills and how to become a good mentor This material is perfect for you if You want to develop your people by investing in them personally You want to grow your church You are busy and have little time to write your own leadership training curriculum You want high quality proven field tested material developed by veteran leaders You want to equip your leaders to excel in their ministries Designed for personal or group study this workbook contains everything you need to train your leadership team and the entire church body or organization to be effective biblical leaders Learn the life changing leadership principles that hundreds of thousands of people around the world have discovered It has worked for them it can work for you     Discovering the Leader in You Workbook Sara N. King,David Altman,2011-05-16 Discovering the Leader in You Workbook From the Center for Creative Leadership CCL comes a highly accessible workbook based on the concepts outlined in the revised and updated edition of Discovering the Leader in You The workbook contains a variety of questions and exercises designed to help professionals reflect on examine explore and discover concepts and issues related to their role as leaders Most of the activities can be completed while working through the book others require more time and some involve other people To gain the greatest benefit it is suggested that all the activities be done as thoughtfully and as honestly as possible Once you have completed the exercises and tasks outlined in the workbook you will be able to Clarify your purpose for leading based on a clear leadership vision and a core set of values Articulate your leadership strengths and areas for development Understand who you are as a leader in the context of both your work and your personal life Determine when and why you feel unclear or stuck in your leadership journey While you may want to tackle this workbook on your own leaders often find that the leadership journey is more rewarding when they work with other people You can review the workbook with a coach or mentor or work with colleagues who are also using the workbook in order to discuss ideas and gain feedback If you are a leader or an aspiring leader who works in a highly complex and competitive environment and wants to tap into the qualities that characterize success this is the resource for you The Center for Creative Leadership CCL is the world's largest institution devoted exclusively to leadership research and education Since 1970 CCL has studied and trained hundreds of thousands of executives and worked with them to create practical models tools and publications for the development of effective leaders and leadership     **For All the Write Reasons** Patricia C. Gallagher,1992 Guide to publishing and writing with advice from forty experts in their field     **Innovative Leadership Workbook for College Students** Maureen Metcalf,Amy Barnes,2015-12-21 Of all the topics surrounding leadership today innovation is one of the most significant Yet despite the volume of resources exploring both innovation and leadership most approaches provide directional solutions that

are merely anecdotal In addition these fictive solutions lack sufficient information for leaders to utilize their own capacities to make measurable change As a college student you are provided with many opportunities to develop your own leadership skills and capacities through coursework co curricular involvement and part or full time work experiences You are the future leaders of our companies our nonprofit organizations our government and our education system It is extremely important that we as a society invest in the development of our future leaders We know that leadership plays a critical role in today s ever changing world and that innovation is a strategic necessity for tackling the tough problems we face today and those we will face in the near future Still ensuing questions on how to lead and where to innovate remain puzzling for leaders and world leaders What is the role of leadership in times of looming uncertainty How will organizations innovate to overcome largely unprecedented challenges And how can we work together and leverage our strengths to more effectively address the future small and large challenges we will encounter in our organizations This workbook is designed to help answer those questions and to help you with the critical selfevaluation needed to refine and innovate your own leadership skills It is fundamentally about leadership yet equally an account of applying innovation
