CISSP Mindmap Starter Dean Bushmiller, 2016-01-01 This workbook will get you organized and prepared for your exam. If these are the last thing you see before your exam, you are in great shape. You can use it for self study or in conjunction with a class. It is your framework where you collect information from lectures, readings, and videos. If you are doing a live class, this set of mindmaps will help you to know what is coming. When studying for the CISSP, there are thousands of resources available. You can easily get lost in the bits and bytes when you need to have that management focus. Our Mindmaps give peace of mind, laser-like focus, and most importantly, a solid plan. Are you doing self study? How many times have you re-read the same passage? With these mindmaps, you won't need to go back to any book or content because you have captured it all. You will have a concise snapshot of the content. You will easily recall all of it. People like to give well-meaning advice on how to pass, but in the end, it's anecdotal at best and misleading at worst. You want to know you are ready for the exam. With Mindmaps, there's no guessing; you will see for yourself. These mindmaps have hundreds of student successes as evidence behind them. Over 12 years, we have tried every shape and size. You will be well prepared for your exam because you can see the whole topic in your head, a mind palace for every major topic of the exam. These mindmaps are all current domains and 52 major topics. We include free how-to videos. Feel confident. Be ready. Pass your exam.
