Environmental Impact Assessment Practices in the Sub-Saharan Africa Philip Gichonge Ngunjiri, 1987

Environmental Pollution & Control , 1978

Environmental Impact Assessment Kevin Stuart Hanna, 2005 Environmental Impact Assessment Participation and Practice provides an essential introduction to the evolution and practice of environmental impact assessment in a Canadian context The Canadian setting is particularly representative of the lasting influence of EIA the diversity of issues EIA processes now address and the more complex definition of environment that many public agencies must now consider The federal and provincial governments in Canada each have their own EIA system and as the later chapters in this book illustrate despite some commonalities of these systems they can vary substantially in what they cover and to whom they apply Before exploring the detailed discussions of process and application and the jurisdictional case studies a brief review of the context and basic process of environmental impact assessment is covered in chapter one The succeeding chapters provide detailed explorations of process the evolution of Canadian EIA analyses of methods and approaches case studies and illustrations of EIA as practiced by Canada's provincial and federal governments

Encyclopedia of Environmental Analysis and Remediation, Volume 4 Robert A. Meyers, 1998-03-23 This encyclopedia is composed of an eight volume set that provides an overview of the field of environmental analysis The contents are divided into major content areas including air pollution control environmental law and environmental sampling The volumes are organized alphabetically with each article signed by the author's The individual articles begin with a summary of the topic heading and then divide the text into subtopics indicated by boldface headings The articles are written clearly however the authors assume a basic knowledge of chemistry and math on the part of the reader For example the acid mine drainage article refers to the Arrhenius equation but does not clarify this statement in the text Each article contains graphs as well as pictures to illustrate points made in the text The articles are long and provide a detailed explanation of each topic The authors also provide a bibliography at the end of each article Special features of the encyclopedia include a list of contributors a table of conversion factors and a list of abbreviations and acronyms The preface outlines the general contents of the encyclopedia The preface also includes sections that suggest the target audience and recommended usages for the set The final volume of the set contains an alphabetic index to the topics contained in the
