The Ultimate Reality Gian Kumar, 22-12-14 Gian Kumar Discusses the Power of Oneness in the last book of his 3 volume series He deals with this core reality and the struggle imbedded in living lives of duality in the material and technological

world Happiness unhappiness good bad God Devil all exist as One Despite the teachings of spiritual gurus and masters life fails to give us the much needed solace Something remains missing The mind with its constant chatter and habit of delving into past experiences or anxieties about the future does not permit us to live in the present moment in awareness of the now By the time the mind registers this moment it has already passed and a new now has taken its place In this final volume the author delves into a deeper existence where through experiential realization we are able to go beyond the mind with its dual thoughts to a state of higher consciousness He shows us methods we can use to attain this state and thus enter the no mind zone the experience of which takes us to our core centralizing the extremes of duality and helping us attain awareness of being one with the Universe **Putnam's Monthly** ,1908 **Putnam's & the Reader** ,1908
