

How to Write a Fantasy Series: Do's and Don'ts

Don't

Be unoriginal with fantasy tropes

What makes your world or mythical creatures unique?

Use clichés without your own twist

A portal's working should be credible for your world.

Use stock characters with no detail

Avoid blank hero-orphans or endlessly wise and capable, staff-carrying wizards.

Do

Make tropes your own

E.G. J.K. Rowling makes broomsticks sports equipment.

Update clichéd plot devices

Rowling's portal is an ordinary, real-world train station.

Make characters believable

Give each character motivations, goals, strengths, fears and flaws. Even Gandalf makes mistakes.

Tips Fantasy Series

Urban Settings Benjamin Ramirez, AI, 2025-05-05 Urban Settings explores the dynamic relationship between urban environments and storytelling in genre fiction It argues that cities aren't just backdrops but active participants shaping narratives influencing everything from character development to thematic resonance For instance architectural design choices can establish specific moods while urban planning can exacerbate conflict This is particularly relevant for those in social sciences architecture and urban studies The book uniquely dissects how elements like public squares and iconic buildings function as

stages for conflict driving plot developments It also examines how social stratification in cities impacts themes of power and justice Understanding this interplay requires familiarity with architectural styles urban planning and sociological concepts offering a new lens to interpret urban complexities in storytelling Beginning with architectural semiotics and its role in setting tone the book progresses to explore specific urban features as catalysts for conflict It culminates by consolidating these findings showcasing how urban environments symbolize and reinforce social political and cultural anxieties using case studies from diverse genres This approach makes it valuable for academics writers and city planners alike
